## Townie Book Program

**East Providence High School families**, please consider supporting your alma mater by giving a gift that will be used for years to come!

For a donation of \$20.00 or more, your family may participate in the **Townie Book Program**. The EPHS library will purchase a brand new book and dedicate the title to honor your student's accomplishment, to celebrate their graduation or birthday, or any special occasion. A book may be purchased as a memorial or as a special gift for a teacher or friend. The library will send you a certificate of appreciation and a personalized book plate will be placed in the book purchased with your donation.

**It is a wonderful way to show your support and appreciation for East Providence High School, family or friends.**

Please fill out this form and return the entire sheet to the EPHS library with a check or money order for \$20.00 payable to *East Providence High School*. Please add "Library" to the memo line of your check.

Drop it off or mail it to: **East Providence High School Library  
2000 Pawtucket Avenue
