School Profile: 2018-2019

ACCREDITATION
New England Association of Schools and Colleges and Rhode Island Department of Education.

COMMUNITY AND SCHOOLS
The city of East Providence is a community with a population of approximately forty-eight thousand. The comprehensive, public high school includes grades 9 through 12 with an enrollment of approximately 1500 students. The present facility was opened in 1952. The professional and support staff numbers over 175 people. A regional Career and Technical Center is part of the campus and began operation in 1970. Most faculty members possess a Master’s degree and are highly qualified in their subject area.

CURRICULUM
Over 240 courses are offered in the following departments: English, Mathematics, Science, Social Studies, World Languages, Computer Science, Fine Arts, Physical Education, Career and Technical Education and Special Services.

POSTSECONDARY EDUCATION
Students from the following classes were accepted to over one hundred postsecondary institutions.

SPECIAL CURRICULUM FEATURES
Advanced Placement courses are offered in English, Mathematics, Science, Social Studies, World Language and Computer Science. Dual enrollment agreements exist with Rhode Island College, University of Rhode Island, Johnson & Wales University, the Community College of Rhode Island and Bristol Community College. Concurrent enrollment and Early Enrollment Program coursework both allow students to obtain college credit for classes taken on our campus. Concurrent enrollment agreements exist with the University of Rhode Island, Rhode Island College and Syracuse University. Students may also enroll in RIDE approved coursework via the Advanced Course Network.

LEVEL DESCRIPTIONS
Advanced Placement: College level curricula and exams which may result in college credit.
Honors: Courses are offered at an accelerated pace and require rigorous, independent work. Courses in this level are designated as either Honors or EEP
Level 2: These courses are aligned to the Common Core State Standards to ensure that students are college and career ready.
Level 3: These courses are aligned to the Common Core State Standards to ensure that students are college and career ready. Additional supports, scaffolding and interventions are offered to students.
